Chief and Council
Mathias Colomb Cree Nation
General Delivery
Pukatawagan, MB R0B 1G0

Dear Chief and Council.

RE: Statement of Work, School Feasibility Study

Architecture 49's proposal for providing consulting services for the subject study, which includes a detailed work plan and list of deliverables, for a total cost of \$119,000, was selected as the winning proposal in an open bid process. Mathias Colomb Cree Nation issued a Band Council Resolution (BCR-311-1061) accepting Architecture 49's proposal. Architecture 49 estimates that \$30,000 worth of work will be completed by the end of the 2015/16 fiscal year and the balance of the work completed in 2016/17.

This statement of work requires that Architecture 49 and Mathias Colomb Cree Nation setup a joint bank account through which project funding will flow. Architecture 49 expects to complete the update by September 2016 upon which they will deliver the school feasibility study final report.

An amendment to your 2015/16 funding agreement in the amount of \$30,000 has been initiated and should be ready for signature shortly. If you require any further information, please contact your Technical Services Officer, Derek Peña at (204) 983-4315.

Yours truly,

Leona Tencha, P. Eng.
